# NATIONAL AERONAUTICS AND SPACE ADMINISTRATION

[Notice: 96-145]

**AGENCY:** National Aeronautics and Space Administration (NASA) **ACTION:** Notice of agency report forms under OMB review.

**SUMMARY:** The National Aeronautics and Space Administration, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995 (Public Law 104-13, 44 U.S.C. 3506(c)(2)(A)). The reports will be utilized by the Office of Small and Disadvantaged Business Utilization as a method for determining if developmental assistance provided to small disadvantaged businesses by prime contractor's performance meets the standards established in NASA policy. The Agency's ability to manage the program effectively would be greatly diminished without receiving the described reports, which are part of the ongoing performace fee evaluation

**DATES:** All comments should be submitted by March 20, 1997.

ADDRESSES: Written comments should be addressed to Richard Kall, Code HK, National Aeronautics and Space Administration, Washington, DC 20546–0001. All comments will become a matter of public record and will be summarized in NASA's request for Office of Management and Budget (OMB) approval.

**FOR FURTHER INFORMATION CONTACT:** Bessie B. Berry, NASA Reports Officer, (202) 358–1368.
